

Using Your Dental Benefits

Congratulations! You have a dental plan from Delta Dental of Colorado. It's so important to use your dental benefits because **your oral health is connected to your overall health**. Your dentist can spot the early signs of systemic diseases and can help you avoid more painful and costly dental procedures in the future. So make dental care a priority.

- ▶ **CREATE A SUBSCRIBER ACCOUNT ON OUR WEBSITE.**
You can check the specifics of your plan, the status of claims, and much more.
- ▶ **NOW, SMILE!**
You're taking steps to protect your oral health *and* your overall health!
